WESTERN ONTARIO ATHLETIC ASSOCIATION

BY-LAW NO. 4

A By-Law respecting historical data, procedures for meetings, submission of amendments, rules of order and other relative statements of the WESTERN ONTARIO ATHLETIC ASSOCIATION.

BE IT ENACTED AND IT IS HEREBY ENACTED AS A BY-LAW OF THE WESTERN ONTARIO ATHLETIC ASSOCIATION (herein called the Corporation) as follows:

REVISED: 2012.

A SHORT HISTORY

The W.O.A.A. was founded in 1942 by a well known person in this region, Mr. W. T. "Doc" Cruickshank of CKNX Radio and TV, Wingham. Tremendous desire best describes the personal effort put forth by Mr. Cruickshank. Two other persons who assisted and were members of the original Executive were Mr. M. L. "Tory" Gregg of London and Mr. Alfred Lockridge of Wingham. With determination, these sports-minded citizens worked together to build the organization and are known to be the founders. There were many others who devoted their talent, time and efforts to this endeavour. In its initial stages, the W.O.A.A. was composed of seven hockey teams banded together to provide inter-community competition.

The aims established in the beginning remain the prime emphasis of the W.O.A.A. "to promote and improve year round sports, to create a kindly feeling in the small communities and rural area of Western Ontario." Unlike many other associations who are dependent upon and favourable to the larger centres, the W.O.A.A. is interested in the smallest hamlets and the larger towns. This organization provides an opportunity for competitive recreation for each individual desirous of participation regardless of skill.

The "Western" has always taken a keen interest in minor sports. An event conducted each year within the region is the Young Canada Pee Wee Hockey Tournament in Goderich, Ontario.

On the 24th day of July, 1986, under the Ontario Corporations Act, the Western Ontario Athletic Association became an incorporated body.

The W.O.A.A. continued to grow and thrive. It became apparent that it had out grown its small headquarters at the corner of John St. and Josephine St., in the upper compounds of a leased office space in Wingham, Ontario. In 2005 a group of dedicated individuals who had worked very closely with the W.O.A.A. over the years and who were from all areas of Western Ontario formed a Fundraising Committee and a Building Committee to build a new home for the W.O.A.A. The Fundraising Campaign was appropriately titled "Building for Our Future". A building lot was purchased and in November, 2007 the W.O.A.A. moved into its new home on Alfred Street in Wingham.

Thanks to many individual donors, corporate donors, teams and centres within the W.O.A.A., countless fundraising events and thousands of dollars of in kind donations, the W.O.A.A. now enjoys a state of the art office building complete with board room and training centre. The Grand Opening of the new facility was held in September 2008. In 2009 the remainder of the fundraising pledges were received. The Capital Campaign "Building for Our Future" was an overwhelming success.

In 2012, the W.O.A.A. had 503 teams composed of approximately 9,000 registered participants. In addition, there were approximately an 2,125 people involved throughout our association, serving as Executive Members, Convenors, officials and volunteers.

LIFE MEMBERS

Mr. Wilfred "Doc" Cruickshank*

Mr. Wilfred "Doc" Cruickshank was one of three founding members of the W.O.A.A. He was well known throughout the region being the owner of CKNX Radio. Through the use of such facilities he provided many free hours of air time promoting sports. A firm believer in Minor Sports, an overall interest and organizational talent, he was instrumental in the formation of the original W.O.A.A. Executive and the first competitive league which was composed of seven hockey teams.

With generosity and personal financial assistance, he provided the W.O.A.A. with a foundation on which to build. His devotion to the "Western" is known to be dedicated and incalculable.

Mr. Mervyn Lloyd L. "Tory" Gregg*

Mr. M. L. "Tory" Gregg was one of the founders of the W.O.A.A. and served as the first President, a position he held for eight years. His efforts can be best described as unending, for on many occasions he worked with diligence and perseverance. Mr. Gregg availed himself to amateur sports, taking a deep personal interest in every phase. His contribution to the "Western" can only be described as invaluable, and faithful.

Mr. Alfred "Alf" Lockridge*

Mr. Alfred "Alf" Lockridge was one of the founders of the W.O.A.A. His foresight and contribution in every phase was displayed through his keen interest and desire in co-ordinating inter-community competition associated with amateur sports. His first real task was the acceptance of the responsibility to act as both Business Manager and Secretary-Treasurer, a work load which increased with expansion and each season. Mr. Lockridge served "Amateur" sport in many capacities, never losing sight of the true competitive spirit and competition for the amateur.

For 35 years, "Alf" provided a service which was frequently under very trying and difficult circumstances. In 1968 he retired as Business Manager and Secretary-Treasurer. On three subsequent instances he returned to serve in the same capacity, then continued attendance of meetings until his demise.

His influence will undoubtedly prevail for many years throughout the W.O.A.A. Upon his initial retirement from the "Western", he was presented with a plaque inscribed in part which reads "For faithful, meritorious and dedicated service".

Mr. Hubert "Hugh" Hodges*

Mr. Hugh Hodges has been a tireless worker for the W.O.A.A. He became associated with the organization in 1959 and has since served on the Executive in every capacity including his two year term as President. He was one of the founders of the Huron-Perth Umpires Association. For Mr. Hodges no task ever given him was too challenging or too difficult. He has always completed the assignments, which were many, without complaint, and to a high standard. His contribution to the "Western" can be best described as faithful and dedicated.

Mrs. Donald "Joyce" McClure

Mrs. Donald "Joyce" McClure has contributed greatly in supporting the W.O.A.A. She has accepted her responsibilities without hesitation, completing her assignments while ensuring a very high standard. Having served as a dedicated Executive member, she was elected the first female President in 1977. Since then she completes her assignments with special emphasis and interest in enhancing the referee's program. She has devoted herself and skills in supporting the W.O.A.A.

Mr. William "Bill" DeHaan

Mr. William "Bill" DeHaan has been a dedicated supporter of the W.O.A.A. since 1980. He was selected to the Board in 1981 and served a term as President in 1985-86. He has always been active in the Softball programs and has been an umpire in the W.O.A.A. since the early eighties. He also has been active in the O.A.S.A. for many years and has been the Liaison to the W.O.A.A. for many years. Bill has been very active in the community of New Hamburg, Ontario, where he resides and always is there when asked to do trophy presentations, instruct umpire clinics and perform the task of a Past President in the presentation of Honour Awards; as well as facilitate during the yearly election of Officers. He has served the W.O.A.A. with pride and was selected as a Life Member at the Annual General Meeting of 2001.

W.O.A.A. HONOUR AWARD

The O. M. "Mike" Weichel Trophy is an award presented annually by the W.O.A.A. Donated in 1953 by Mr. Mike Weichel of Elmira who was a well known sports enthusiast throughout the Western Ontario region. In presenting the trophy to the W.O.A.A., it was his desire to ensure that the people in this area be recognized and rewarded for their outstanding efforts in minor sports. He devoted endless hours to sports serving in many capacities, providing actual contributions and assistance.

An excerpt from his final presentation speech in 1964 is as follows:

"In a youngsters' life their guidance of Christian training, education and recreational well being is of paramount importance. A leader who guides and shapes today's youth, paves the way for those who will be tomorrow's leaders and citizens."

Each year the Board of Directors of the W.O.A.A., on behalf of Mr. Weichel, selects a person or persons whom they consider to be worthy of its possession. Accordingly, each community is requested to submit the name or names of whom they judge to be worthy recipients.

The presentation of the trophy as directed by Mr. Weichel is announced at the W.O.A.A. Annual General Meeting, and presented by the Immediate Past President.
