INTERMEDIATE HOCKEY REPORT

On October 27th, 1985, Kincardine travelled to Woodford to open the 1985-86 hockey season; on April 20th, 1986, Kincardine returned to Woodford for the league finale. In between the W.O.A.A. enjoyed an exciting and successful season, with the quality of play improving and the gap between the top and bottom teams decreasing.

In two seasons, the W.O.A.A. has expanded from 8 to 14 teams and while every club is not expected to return, enough interest has been shown that the league should increase in size for its third consecutive season.

Hi-Lights of the past season were:

1. The individual play of Wingham's Ken Cousins whose two season hockey stats read 57 goals, 64 assists for 121 points in 46 games.
2. The Monkton Wildcats return to respectability. Their win total for 1985-86 was more than double their total wins over the previous two seasons.
3. Ripley Roosters claiming their 3rd consecutive "D" championship and their 7th in 10 years.
4. The Woodford Royals becoming the 1st team in seven years to win the Grand-Championship back to back.

The only low point of the season was the play-off set-up. A few teams were forced to sit idle for weeks before their opponent was decided. If any of the teams have any "worthwell" ideas, please put them in writing and send to the W.O.A.A. so they can be discussed at your Annual Meeting.

To finish, I would like to announce my resignation as Intermediate Hockey Chairman for strictly personal reasons. I enjoyed the year and met many interesting people.

Best of luck to the Western Ontario Athletic Association and all the Intermediate Hockey Teams.

Sincerely,

HN:1e

Woodford wins WOAA grand championship again

BY HUGH NICHOL

For the second year in a row the Woodford Royals have captured the WOAA Grand Championship, defeating the Kincardine Kings four games to one.

Woodford, a .500 club over the regular season, posted a 12 win, 2 loss record in playoff action.

Kincardine fans and players alike were asking themselves why all the fuss about Woodford playing WOAA hockey after Kincardine opened the series with a 7-1 victory.

The complaint against Woodford is that all their players reside in Owen Sound and that it is impossible for towns of 5,000 and less to compete with them, a complaint repeated again as Woodford regrouped and skated to four wins in a row with scores of 12-7, 12-2, 6-2, and 10-4.

In two years the WOAA has expanded from eight to 14 teams, with clubs in Listowel, Walkerton, Southampton and Wellesley showing interest for the 86-87 season.

Hugh Nichol.
