Lions Head Wins WCAA

Int. championship

The Lions Head North Stars, considered to be the weakest team of the four divisional winners, posted a 10 win : 2 loss playoff record in capturing the 1987 Grand Championship Trophy in front of a full house Saturday night.

After winning the Int. 'C' Championship the North Stars lost the first game of the Grand Well- esley Merchants by an 8-4 score. However, they rebounded and scored 12-3, 9-6 and 7-3 wins to advance to the championship final against the the Int. 'D' champions from Ripley. Ripley qualified for

the final series by upsetting the heavily favored Int. 'A' Durham 72's in a five game series.

Game one of the finals went to Ripley by an 11-8 count but the boys from the North completely dominated the remainder of the series with wins of 9-1, 7-3, 11-5 and 8-6.

Although all teams are not expected to return for the 1987-88 season, interest has been shown from Woodford, Palmerston, New Hamburg, Ayr, Mitchell and Seaforth about possible entry into the W.O.A.A.
